## NAVAL OFFICERS MISSING.

Band of Scouts Organized From the Macabebes-Barker Coming Home.

Manila, May 31 .- (11:20 a. m.) -Two petty officers of the United States hospital ship Relief went sailing in the harbor yesterday. Their boat was afterward found in the possession of natives near their Parranaque lines by the monitor Monadnock. The men are supposed

to have been killed or captured. The cruiser Boston will soon sail for the United States with Captain Barker, temporarily in command of the Asiatic squadron and the departure of that officer will leave Captain George F. Wilde, now in command of the Boston, in supreme control until the arrival of Rear Admiral Watson.

Captain Warren has organized a com pany of 100 Macabebes as scouts. They wear United States army shirts and trousers and are under Warren's personal command.

A New Preparation Which Cures Dyspepsia and Stomach Trouble.

Remarkable Curative Properties.

A new remedy, which may revolu-tionize the treatment of stomach troubles, has recently been placed before the public and bears the en-dorsement of many leading physicians and scientific men.

The remedy is not a wonderful se cret discovery, nor a patent medi-cine, neither is it claimed to cure rated at Places on Luzon and at Hollo anything except indigestion and stomach troubles, with which nine tenths of our nation are afflicted.

The remedy is in the form of pleasant tasting tablets or lozengers "General Otis has informed the war containing vegetable and fruit esdepartment that he will be satisfied if sences, pure aseptic pepsin (free the army under his command is kept at from animal impurities) bismuth drowned while bathing in the Lehigh canal. Wenderful Feats of Shooting. M. Bordeverry, a Frenchman, can give most of the crack rifle shots of the world several large pointers about their art. His accuracy and rapidity of aim are simply astonishing. At a distance of 30 feet be can cut a piece of cardboard through the edge as it is poised npon the head of an assistant. At a lard 10c; eggs 16c; chickens, 15c per similar distance, leaning himself flat on lb. dressed his back over the seat of a chair, with a pistol in his hand, he can send spin shelled 45c; oats 33c to 37c; hay 60c ning a threepenny piece which rests, to 70c a hundred; straw 30c to 40c a half hidden, upon his assistant's head, hundred. He will knock the ash off your cigar at a distance of 30 feet or light your wax vesta for you, if you care to hold it. At ten yards he can cut a swinging thread, His presence was the occasion of a and at the same distance, with three successive shots, he will pick off three small trifles balanced one upon the

HEROES' GRAVES DECORATED other upon the head of his assistant. Rumors fly fast in Corry. One Sunday recently a man who had arrived in town the night before incidentally asked of a citizen if the barber shops were open or Sunday, as he had neglected to have his hair cut the evening previous and would like to be trimmed up a little. He was informed that the shops were closed on the Sabbath. An hour later there was a knock at his door and a colored gentleman was on the volunteers at Santiago, was the found in the hall, armed with a pair of shears and clippers, who inquired if "dis was de gennelman dat wanted a clip." In some way the report had got started benns \$1.50, \$1.65.

that there was a man in town who wanted a hair cut, and the rumor had spread like a prairie fire. The man was duly clipped .- Oil City Blizzard.
